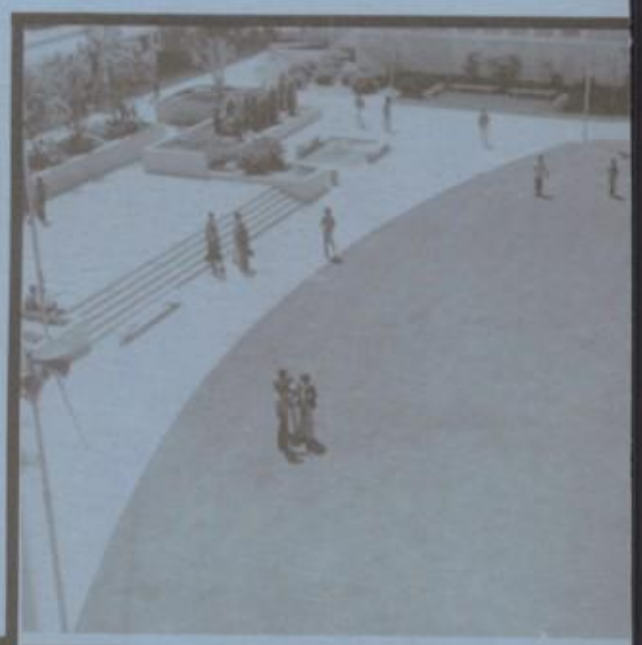
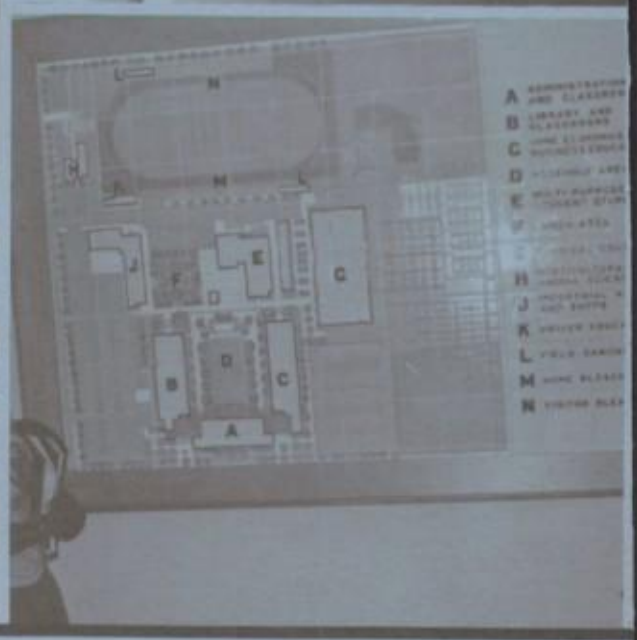
On Up at Crenshaw

1980-81 was a time Cougars moved up in many ways, including socially, academically & athletically. In this opening section, the Cougar's Path presents a sampling of hese areas in words & pictures.

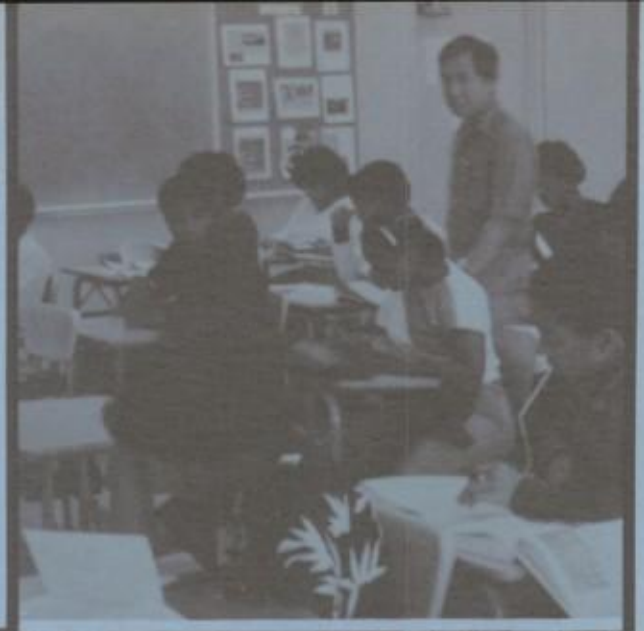
Movin' on up through landmarks

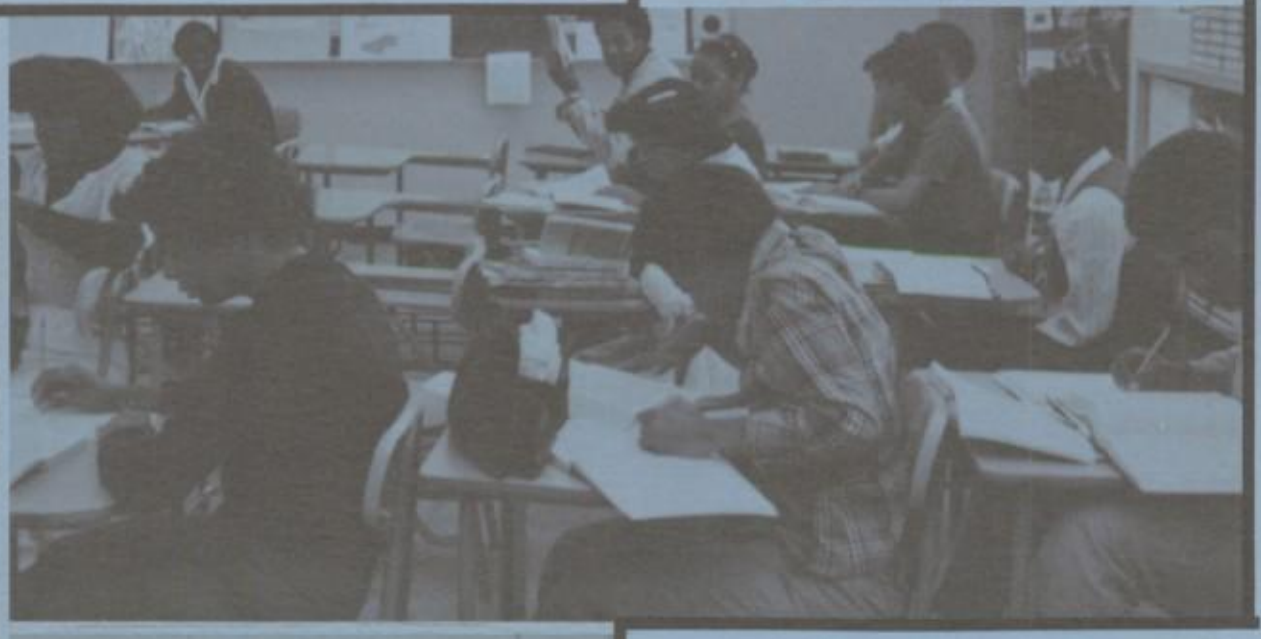


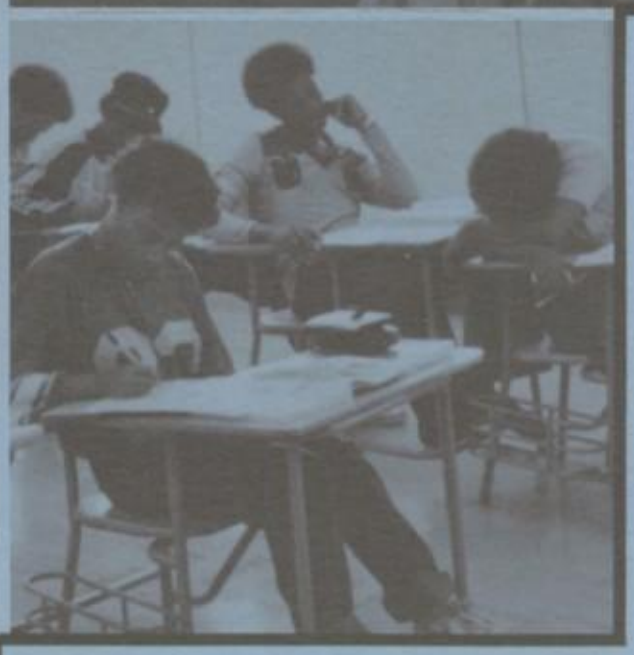
Cougars begin movin' on up with their first climb of the front steps (bottom left) through the distinctively-styled grille gates (picture below of the south entrance). The Quad area (right) is the scene of pep rallies & other activities; at its east end is the walkway by the lunch area (mid-right). The map on the main building's first floor helps put things in perspective (bottom right).



The main purpose of any school is education, & that's what the main part of our years at Crenshaw was devoted to. Most of our days were spent in classrooms such as Mr. Wong's driver ed (right), Mr. Campbell's auto shop & Mrs. Harlick's English class (below). Occasionally the load got too heavy for some, who nodded off to sleep (below right).



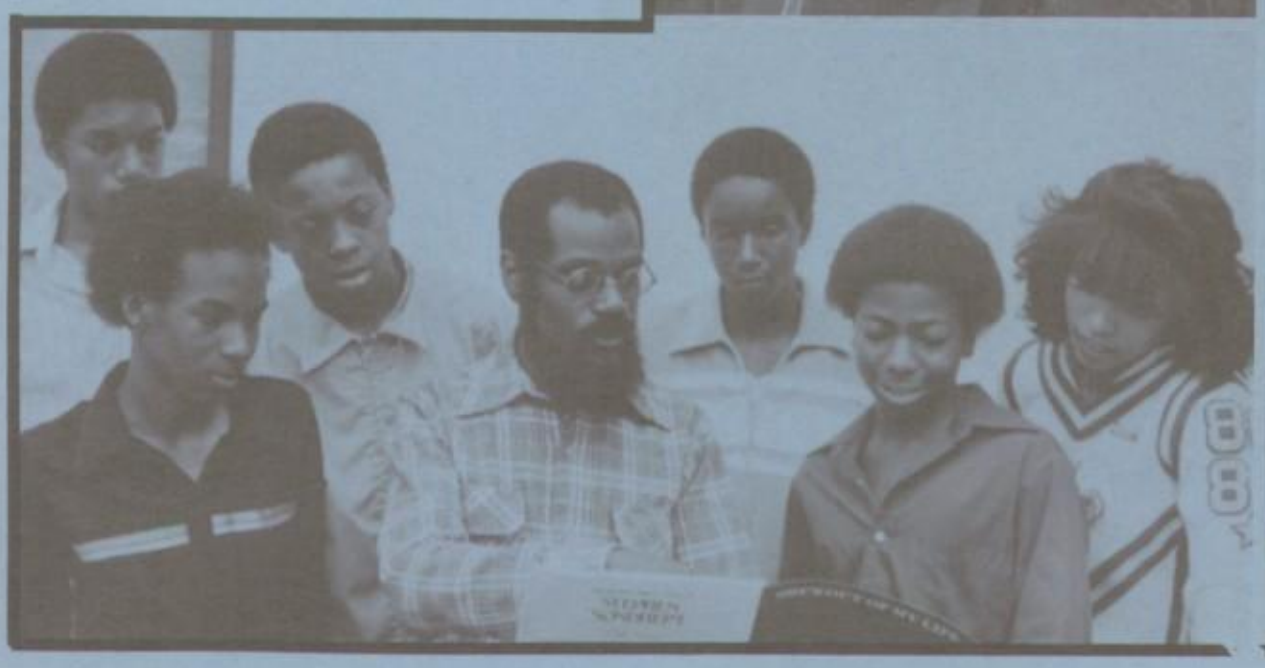




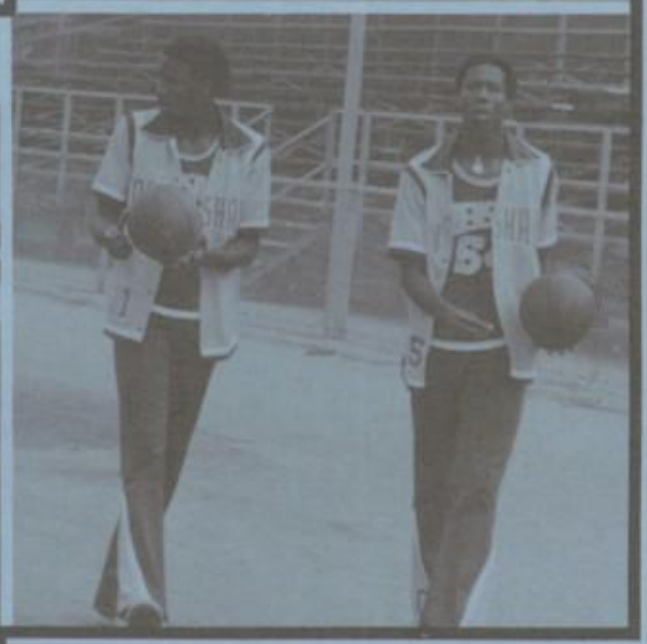
Movin' on up in class

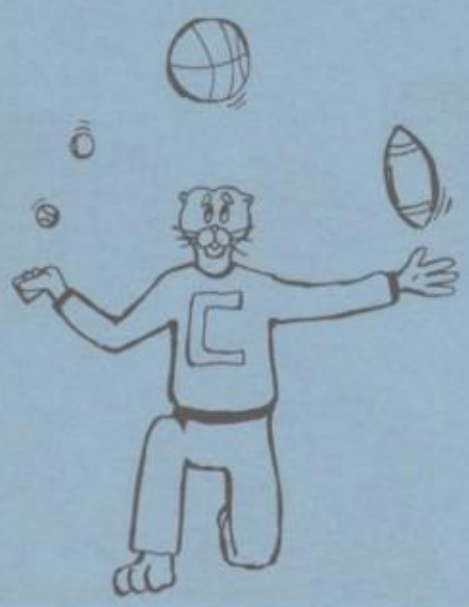
The Mighty Cougar Marching Band and the Crenshaw Elite Choir, two of the largest groups on campus, provided the big musical sounds at games, concerts & other organized events.

Movin' on up through music

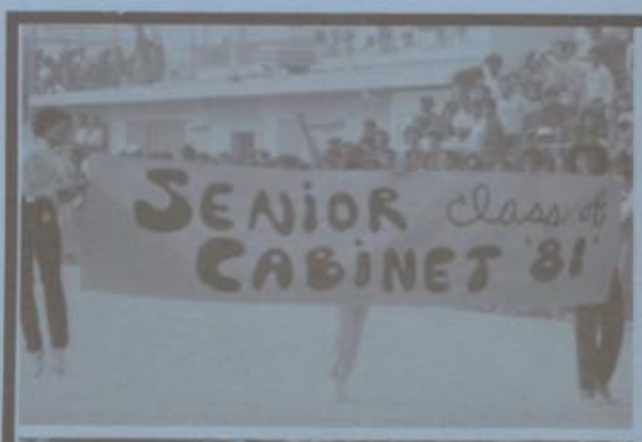


Traditionally a basketball powerhouse, Crenshaw was also the home of the Crosstown League football champions. Great things were expected from track performers, although CrossCountry was dropped (along with Swimming) because of budget cuts. 1980 saw the formation of Crenshaw's first soccer team, & the first appearance of roller skates at a school activity.



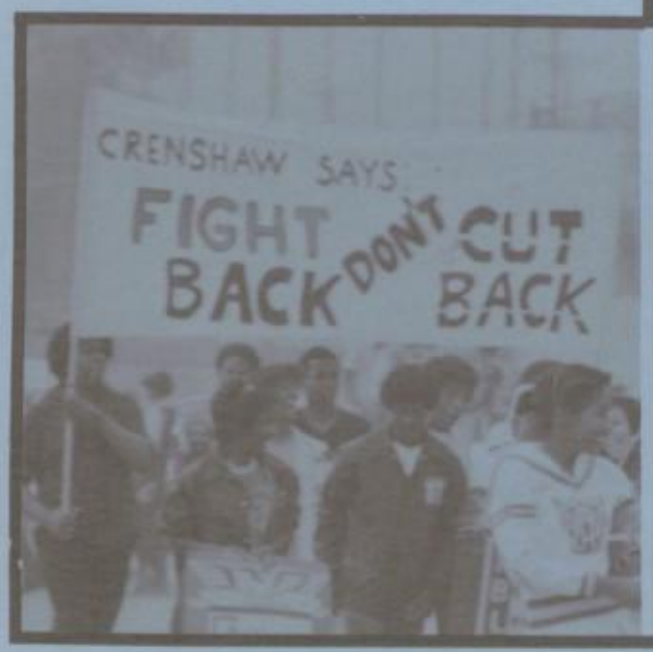


Movin' on up in sports



Movin' on UP

Cougar spirit was demonstrated by protestors against cutbacks in our educational program (below), by the football teams' mascot (right), by senior class banner-bearers who kept on despite a ripped banner, & by cheerleaders at our games.



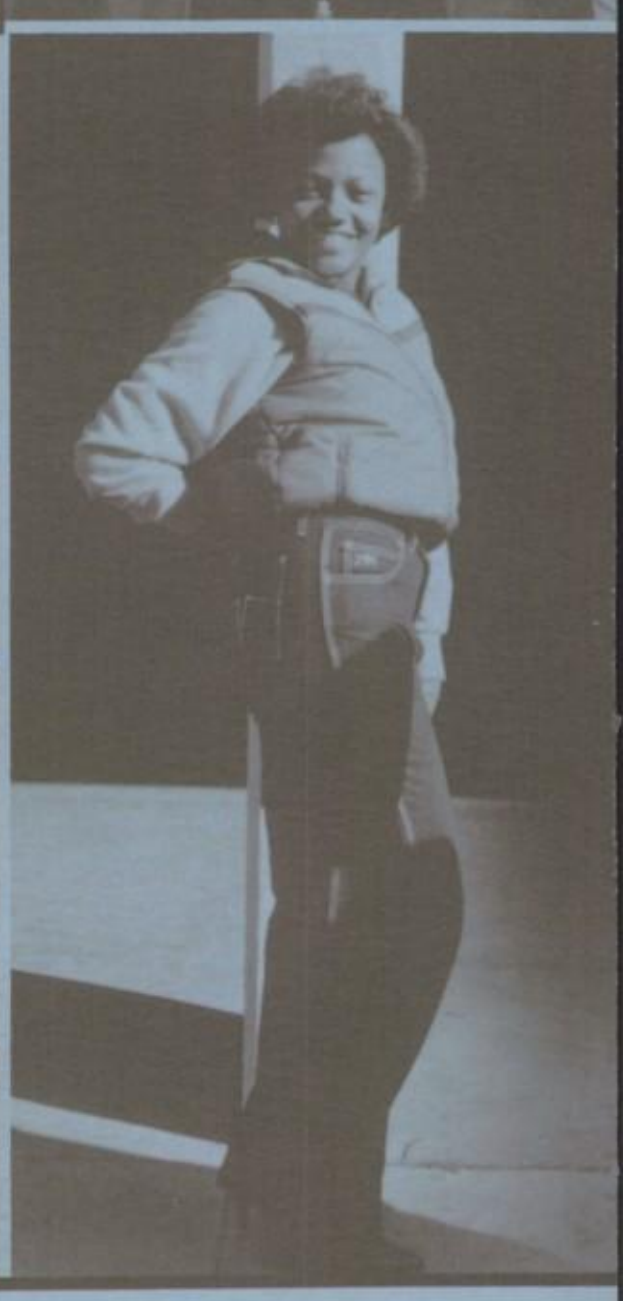
Crenshaw students raised voices, arms, fists, fingers & emblems at games, pep rallies & other special occasions. Their shows of spirit raised the spirits of Cougar teams, who did well this year.

Raising spirit!

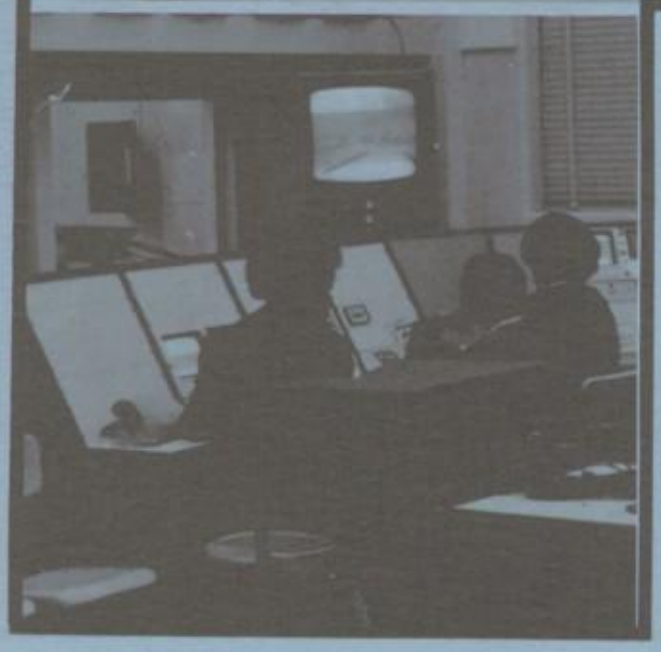
Movin' On Up In Style

1981 saw chains & more gold chains. Below, a ski jacket is combined with Sergio Valente jeans for a casual ensemble. Other fashionable jeans were Sasson, Jordache, Gloria Vanderbilt, Vidal Sassoon, Chardon, Brittania & Wranglers.

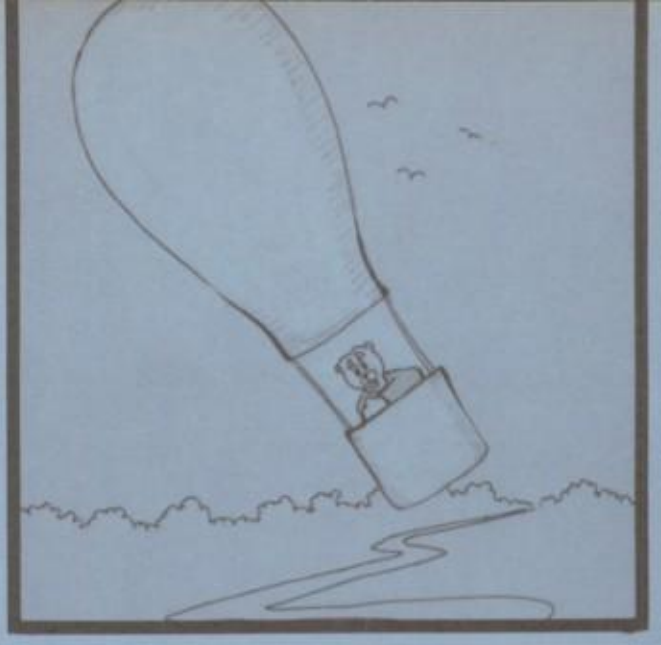
Long colorful nails, painted in abstract design & backed up by intricate rings, were in. The couple below show off their ski jackets. And Cougar hats modeled after Pittsburg Pirates baseball caps go a big play.



All our classes involved learning. In some we seemed to learn just information & facts. But in others we learned how to create — how to use words & implements to make entirely new things.



Movin' On Up in Creativity & Constructiveness



Movin' Along the Cougar's Path

After this sampler, we hope you'll follow the Cougar's Path on its journey through 1980-81 on the following pages.

A message from the Principal

As we say farewell to an excellent group of graduating Cougars, may we remind you that completion of high school should only be the beginning of a long & continuous educational program of education & training.

Your challenge for the Eighties should be to initially work hard to learn a saleable skill in the next few years. Yes, education, technical training & skilled learning will make a difference for you.

Again, you will be called upon to solve our energy problem, international hunger, local unemployment, mass transportation, housing & family life styles. I trust that the great minds that are being developed in this class will provide many of the solutions to these serious problems.

The faculty, staff & administration salute you who are concerned about learning for the future. We pray that you become the models that are needed to prove that an education at Crenshaw High School stimulated your thinking, inquiry & assertiveness.

To the Class of '81, may God bless you in the future, & we thank you for your contributions to Crenshaw High School's pursuit of excellence.

Appreciatively,

Dr. Lionel H. Joubert

Classified Staff Vital to Crenshaw

A big organization like Crenshaw needs more than faculty & students to operate smoothly. Here is a sample of the office staffs who handle the records, the custodians who keep the halls, rooms & grounds clean, the cafeteria workers who provide nutrition & lunch & the other support people who help make sure things run safely & efficiently.

TOP: School Secretary Alva Harper, Textbook Clerk Marion Ferreira. ABOVE: Security Agent Ralph Durham, Locker attendant Lillie Brooks, Custodian Gussie Williams; Attendance Office staff Dovye Graggs, Trish Crenshaw, Cynthia Lawson, Connie Rayford, Pat Murphy. RIGHT: Asst. Princ. Sec. Rocky Fuller, Nurse Deborah Cain.

Different Wheels in Parking Lot

The senior skating party attracted skaters of all grade levels to the student parking lot. Thrills, chills & even spills were had by all as eight-wheeled figure skaters & disco dancers demonstrated their moves.

SPECIAL EVENTS

Protests Greet Cuts in Education Program

September saw school open with severe cuts in the educational program: Sixth period eliminated, minor sports cut, class size increased, electives dropped & support personnel lost. Prop. 13 had finally hit home.

The Crenshaw school community didn't take this lying down. Parents, students & teachers met in the library to voice their concern to the Board of Education. The most vocal protest came from the students, who organized to carry their views directly to the Board. Led by Tracey Williams, Russell Counts, & Jujuana Tolbert, the United Student Steering Committee led a walk-out third period to protest the cuts. After rallying in the Quad during nutrition, more than 200 students marched angrily around the school.

Shortly after that, the USSC chartered a bus & went, 50 students strong, to the Board of Education, where Williams & Tolbert were joined by Yevette Lewis in denouncing the Board's cuts, as well as its apparent opposition to integration. These Cougars linked up in protest with students from other high schools.

Some of the cuts were rescinded, but not all of them. So although the militancy of the fall had faded by Christmas, the foundation was laid for more activity by students in defense of their right to an education.

—Jeffrey Horton
Crenshaw UTLA Rep

"S.O.S.—Save Our Sports"

High school sports were among the items the Board of Education proposed to cut in 1980. Channel 9 had a fund-raising telethon ("Save Our Sports") to raise $600,000 to restore sports. Although only about one third of this amount was raised, the Board restored most sports.

At left, Mrs. Sarah R. Johnson presents Asst. Princ. Robert Reimann with her check to help Crenshaw's athletic program. She said she wanted to be sure her check reached her favorite high school.

SPECIAL EVENTS

"Best of Blue & Gold" Assembly Held Outdoors

For the first time, Crenshaw's annual get-acquainted assembly was held on the track, as the whole school watched the procession of clubs, sports and activities.

The idea behind "The Best of Blue & Gold" is to give new & old students the chance to become aware of the dozens of extra-curricular organizations on campus. The hope is that, once they know the groups exist, Cougars will become interested & sign up for one or more.

Student Body President & Vice-President Koi Kennedy & Michael Griggs provided the welcome & much of the narration (above). Asst. Principal Harriett Thornton

(top left), responsible for the event, also greeted the audience.

Thirty-five groups marched by the attentive crowd, starting with the mascot & Majorettes, through MESA, Meditation & Maidens, then ending up with the mighty Cougar basketball team.

By the time the groups' representatives had made their second circuit around the track, tenth-graders and other students had learned a lot about the extra-curricular activities Crenshaw has to offer. For there's more to high school life than just classes, and our clubs give us a way to meet others sharing our interests.

It was very likely that many students took their first step toward greater involvement at the Best of Blue & Gold Assembly.

Students Note Hostage Release

The biggest "current event" in social studies classes this past year was the continuing story of the 52 Americans held hostage in Iran. They were released after 444 days of captivity as the last achievement of Pres. Carter's administration.

Candy Drive Nets Crenshaw over $20,000

Cougar salespeople sold thousands of the chocolate bars shown below to friends, relatives, teachers & strangers. After the sales drive was over, $50,000 worth had been sold in order to raise money for Crenshaw programs.

The successful drive netted more than $20,000 of this sum. Top salesman was Trent Alexander, who sold 40 boxes. He won the top prize of a Honda Express moped. Other students won gifts ranging from passes to Disneyland & Magic Mountain to color TV's.

It was a lot of work to organize, carry out & follow up on (including making sure all the money got in). But in the end it was worth it, as all those one-dollar sales added up to a lot of money for Crenshaw H.S.

"Just Acting Like Kids!"

Kiddie Day gave students (mostly young ladies) a chance to go back to the carefree days of childhood — at least in appearance. Lollipops, shorts, dolls & stuffed animals showed that for once they didn't have to "act their age."

Computer Age Reaches C.H.S.

"Crenshaw has entered the computer age," according to Student Data Coordinator Gene Kambara.

In its first full year, our new computer "has integrated itself into all aspects of the school program. It's made attendance, grading & programming much more efficient," he said.

SPECIAL EVENTS

TOP: Andre Ray (Crenshaw '74), new member of the singing group LTD, & Carl Johnson ('80) help provide music. Choir is fronted by drummer Ken Terry.

Quad Activity highlight Martin Luther King Day

Hundreds of Cougars honored the 52nd anniversary of the birthday of Dr. Martin Luther King, Jr. with a lunchtime assembly on the Quad.

MC'd by Pamela Broussard, the celebration featured a number by Dance Production & several selections by the Choir, ending with a rendition of Stevie Wonder's "Happy Birthday."

The main speaker was Tony Nicholas, a director of Dr. King's organization, the Southern Christian Leadership Conference. He reminisced about the great civil rights leader's contributions & inspiration.

President's Message

I have always looked forward to becoming a senior. I tried very hard to make this year of '81 a very good one.

But I couldn't have done it without the help of the Class of '81. So I urged all seniors to get interested in our class and "Remember the past, conquer the present and prepare for the future."

We lived up to our class name, "Somos los mejores — We Are the Best," as we wore our powder blue and black.

HOME-COMING!

Focus on Cougars, Past and Present

"Focus on the Cougars Past and Present," the theme of our '80-81 Homecoming, was well chosen.

Many Cougars from the past attended our gala event. Among them were Retired King and Queen Harold Toomer and Rebekka Karriem, who led the colorful parade. Baseball star Darryl Strawberry, former student body president Carol Pinckney and many other alumni & alumnae supported us.

Much time & effort was put forth toward our program and it was clearly evident in spirit, enthusiasm, excitement and pride. Many teachers donated time, cars, ideas & effort to make a successful Homecoming.

A peak of excitement was reached when the moment everyone had been waiting for arrived. Sarah Williams presented the Royal envelope to Girls League President Pamela Broussard, who appropriately announced the inevitable: Their Royal Highnesses Queen Vicki King and King Keith Washington.

The Multi-Purpose Room was the site of the Homecoming Dance. It was a memorable & enjoyable evening.

Cougars Rout Rams in Homecoming Game

LEFT: Anthony Canada (82) intercepts; Marcus Smith grabs a Cliff Madison pass for six. LOWER LEFT: Danon Stokes (80) runs back an interception.

In what Coaches Earl Smith & Ron Price called "our strongest performance of the year, a fired-up Crenshaw team beat the South Gate Rams, 28-7.

The capacity Homecoming crowd saw Quarterback Clifford Madison guide the Cougars to an impressively easy win after the two teams traded opening touchdowns. Scoring honors were divided among Marcus Smith, Anthony Luckett, Andre Ford & Lloyd Hawthorne, while Danon Stokes, Donderell (D.D.) Richardson & Dexter Levy excelled on defense.

The coaches also gave credit to the crowd, which they hailed as "a big help throughout the season."

French Club

Club members increase their knowledge & appreciation of French culture & language. This poem is by member Lilyana Muslar:

Juste Pour Toi

Je risquerais ma vie,
seulement pour toi
J'ai besoin, dans ma vie,
seulement pour toi
Seulement avec toi,
puis-je rire et pleurer
Seulement pour toi,
mon coeur jamais ne mourra.

Knights & Ladies

Service to school & community is the Knights' specialty. They sell tickets to sports events, usher at assemblies & help sponsor events to benefit the student body.

The Ladies organization serves our school in all ways possible & helps represent it in its contact with the public. The Ladies endeavor to establish a precedent to be admired & followed by other Crenshaw students.

PUSH-Excel

PUSH-Excel is an organization designed to motivate & promote academic achievement & to give students a sense of responsibility to themselves & their community. PUSH, which stands for People United to Serve Humanity, was founded in 1977 by Rev. Jesse Jackson.

—Motivation Engineers
Patrice Tucker & Russell Counts

Senior Cabinet

Senior cabinet is composed of senior student leaders & representatives. It organizes all senior activities & finances, & is helpful in guiding the seniors in their goal of graduation.

The Class of '81 has promoted school spirit as well as class spirit, organizing many activities for the entire student body: Shakey's Nite, roller-skating party, Twin & Kiddy Days, noon dances & bake sales.

We are also responsible for planning Senior Week, Senior Recognition & the Senior Prom. And at Homecoming, we won the Sweepstakes Award.

—Class President Yolanda Rock

The Speech & Debate Team aims at developing the ability to persuade other people through the use of oral language.

Crenshaw speakers compete against students from all over the city (Beverly Hills, Santa Monica, Palos Verdes, Marshall, Belmont, Torrance, etc.) in many types of public speaking — oral interpretation of literature, impromptu speaking, persuasive oratory, argumentation & many others.

Through such competition, Crenshaw students gain not only poise & confidence in front of an audience, but also valuable exposure to students from all races & social classes.

Speech & Debate has something for everybody.

Monthly Paper Is Main Service

We serve our school by publishing a monthly newspaper which consists of a wide variety of articles. They include current news in and around our school and community, feature stories, sports and poems, in addition to our "Dear Chips" column.

Our chief aim is to keep the student body informed and we strive for immediate popular appeals that satisfy the demands of our readers.

Unfortunately, due to budget cuts, our circulation was limited since the paper had to be printed on campus by students.

Making the "Memory Book"

The Cougar's Path you have in your hands will be your main reminder of what your classmates, clubs, teams & teachers were like back in 1980-81.

It was produced by the smallest staff ever — just seven hard-working, dependable students. (This happened when sixth period was cut & many students found their programs had no room for electives.) But these students arranged for, shot, identified & laid out thousands of pictures.

They did the job. We hope you like it.

Junior Marine Corps Reserve Officers Training Corps

Marine Cadets Carry

For over two centuries, the U.S. Marine Corps has enjoyed a reputation for excellence which makes the term "Marine" signify the "highest" in military efficiency & soldierly virtue."

This reputation was not earned by chance. The history of the Marine Corps parallels the history of our nation & is steeped in deeds of uncommon valor & devotion to duty. Marines are a special breed, possessed of an esprit de corps that has been passed down from generation to generation. This esprit is nurtured by the confidence Marines have in each other & manifests itself by superior teamwork in accomplishing the mission or task at hand.

Tradition of Excellence

Leadership is the key to military success, for without it an organization lacks the unity & purpose to function effectively. The same applies to the performance of the individual & group in civilian life.

The curriculum of the Marine Corps JROTC offers the positive aspects of Marine Corps training to young men & women throughout the United States. The subjects covered are many. All are designed to help direct a cadet's growth as an individual, a citizen & a leader.

Cougar gridders crash the door to success

After knocking on the door the last couple of years, the Cougar gridders of 1980 literally knocked the door off its hinges. Winning seven of nine games & breezing 5 - 0 through Crosstown League opposition, the Cougars notched their first league title of the new decade.

Led by All-Leaguers Clifford Madison, Marcus Smith, Johnny Luckett, Lloyd Hawthorne, Danon Stokes & Anthony Pearson, the exciting "Shaw" offense averaged 21 points per game. The equally spectacular defense, featuring All-Leaguers Dexter Levy, William (Rocky) Carter, Clint Floyd, Donderell Richardson & Steve Rivers held opponents to just under 11 points a game.

While 1980 marked the first football title in six years, there is a pervasive feeling that this championship marked the first of many to come.

Bee Football

Veterans & newcomers feel emotions of victory & defeat

The 1980 Bee Football season was filled with both the agony of defeat & the thrill of victory. Our team was able to rebuild around a nucleus of returnees: Linemen Eugene Clayborne & Chris Conrad rejoined Johnny Wilson at QB & Damon (Tray-Tray) McVea in the backfield, along with receivers Brandon Wheeler & Eric Yarber.

This nucleus was joined by an eager & talented group of 10th-graders led by Kevin Alexander, Eugene Russell, Herman Evans, James Finley, Eric Harper, Donald & Ronald Frost, Edward Hulbert, Erik Jordan, Maurice Mays & Anthony Luckett. After much hard work, these young men developed into an explosive, hard-hitting, well disciplined football team.

Though our 4-6 record may not indicate it, our young men played very good football. Throughout the season they showed strong character & good sportsmanship, win or lose.

I am very proud of these young men. They have exhibited fine attitudes & the type of determination & character they will need to lead successful & productive lives.

Cougars Capture Yet Another League Crown

They did it: The Crenshaw Cougar varsity basketball team won the Western League title again.

The Cougars were led again by their powerful center Gary Maloncon, but Gary didn't do it all by himself. He had a lot of support from the other four of the powerful starting line-up—Craig Green, Michael Cooper, Randy Hodge & Demetrius Tucker.

But Crenshaw couldn't have done it without a strong bench led by Kevin Hamilton, Quinton Gates & Nate Carter.

The Cougars opened their season by blowing out Venice, & ended it by blowing out Westchester. In between they had only one really tough game, against Palisades.

The season ended on a sour note when 6'8" Maloncon went down with a fractured ankle, but he came back for the playoffs. While Gary was out, 6'5" Hamilton played superbly.

This year's JV team has been super. We averaged 95 points per league game, while our opponents averaged 49.7.

Three young men who really filled the hole this year were Earl Patterson, Kenneth Strode & Gregory Braggs. Key rebounders were Willie Swain, Stafford Hamlin & Gregory Braggs.

Our most outstanding game this year was against Venice. Our 149 points broke the 1976-77 record of 147. Our team this year consisted of a group of the most intelligent young men to come through in a long time.

Varsity Counts on Sprinters, Mid-Distance

To win their fourth consecutive Western League championship, the Cougars will depend heavily on their sprint & middle distance strength. Though the team is small, it has some very talented athletes who should dominate their events. Athletes may compete in up to four events, & many will have to do just that.

The sprint corps will be led by defending league double champion Jimmy Crittenden, who runs in the 100 & 220, anchors the 440 relay, runs on the mile relay, & can run competitively in the 440. Damon McVea, up from the Cees where he was double sprint champion, will provide strong support in the short races & the 440 relay.

Hurdle duties will fall on Brandon Wheeler, who will double in the 120 highs & the 330 lows, as well as the 440 relay. Versatile Renwick Wright completes the 440 quartet. He will contribute points in the open 440 & mile relay.

—Coach Bob Voiles

For most of the five field events we will have only one or two athletes. Osborne is the lone long jumper, but he should be one of the League's best as he was Bee 1980 champion & placed second in the city meet. He can also triple jump. Renwick Wright is the only pole vaulter & Kevin Taylor is our sole high jumper. William Carter & Damon Stokes will throw the 12-pound shot. Contributions from Ricky Harmon & Mark Gant may help the team, as will Mark LaBrew if he competes.

Distance squad standouts are senior Howard Gardner, and juniors MacArthur Osborne & Kevin Taylor. Osborne is a definite contender for City titles in both the 880 & 440. He took an impressive second in the Sunkist Invitational 800, which resulted in a national ranking in Track & Field News.

Gardner's preseason times in the 880 & 440 & his Bee championship in the mile indicate a strong performance. Osborne & Gardner will run on the mile relay team. Kevin Taylor has posted fine marks in the 440 & may also help in the 880. Senior Johnny Wilson will represent the Cougars, as may Terence Goods.

Girls' field events will be dominated again by Yolanda Fletcher, defending League & City shotput champion & League second in high & long jumps. Angela Lowe & Lownell Glover will help in the shot, while Connie Crowell will try the long jump.

Roz Bowie will defend her League 440 championship & perhaps improve upon last year's 220 second place. Robin Simmons should have a super year, with Bambi Lockhart helping in the sprints.

Defending league champion Fletcher will handle the 110 low hurdles, with support from Cassandra Dorsey & Susie Curtis. The new 330 hurdles, with Dorsey currently leading the way, will give all three a challenge. Dorsey, Regina Anderson & Susie Curtis will add lots of support in the high jump.

Middle distance events will be run by senior JoJo Hervey, a dedicated & hard-working runner with two years' experience, junior Margo Willis & an outstanding sophomore, Dawna Brown.

—Coaches Bob Voiles & Moss Benmosche

Bees & Cees

The outstanding new sprint find is Ronald Frost. Other talented new sprinters are Donald Frost, Anthony Luckett & Bruce Wooden. They will be supported by Kevin Alexander, Derryl Hollier, Damon Ollison, Johnny McGlory, Henry Scott & Ray Webb.

Distances will be handled by Daryle Boyd, Milton Phillips, Robert Bell & Michael Lane. Cross-country runner Roderick Ewell & newcomer Ron Smith hope to contribute to the young squad's success.

Experienced Eric Futch looks to score points in the shot put & long jump. Donald Dorsey & James Butts should be successful in the high jump, while Brian Himes & Milton Phillips should contribute in jumping events. Field events newcomers include Eric Jordan, Raymond Andrews, Ron Smith & Davis Smith.

Many tenth-and eleventh-graders will add to the team, says Coach Tom Mertens.

We are looking forward to developing as the season progresses. A fine group of 10th-grade ballplayers (Kelvin Rodell, Hendley Hawkins, Craig Breaux) should see playing time & are names to watch for in the future.

With the right development, the Cougars could be right back in Dodger Stadium for the City playoffs for the third straight year.

JV Baseball

At opening day the Cougar JVs looked forward to a fine season. Led by returning lettermen Curtis Williams & Theodore Carr, we felt a league championship would be forthcoming.

With ace pitcher Joseph Matthews & an awesome infield of Maurice Mays (1b), Daryl Irby (2b), Carr (ss) * Douglas Otteson (3b), we saw no problem disposing of perennial league favorite Venice.

Holding down centerfield was shotgun-armed Darryl Ogden, while at the perilous position of catcher was Edward Hulbert. We had a powerful squad of hard-working scholar-athletes who were proud to be Courgars.

Track & Field Highlights of 1980

Varsity shared League title with Uni. & Pali. Greg Denby won his third City high jump championship (7'0"); he jumped 7'1" at the Arcadia Invitational.

Yolanda Fletcher set a school record for the 8-lb. shot put (45') & scored 88 dual meet points. She won the city 4-kilo title and finished fourth in the State meet (44'9"). Fletcher set the long jump record (18'3¼") & won League in the 110 low hurdles (15.47).

League champions: Jimmy Crittenden (double sprint victory), Donnie Jackson (school record pole vault 14'6 ¼") and the 440 & mile relay teams.

Girls league champs included Roz Bowie (440-60.0), Cheryle Wilson (220-26.1), Yvette Brumfield (long jump 18'½"), and the 880 medley, 440 & mile relay teams.

Bee league champions included Clint Floyd in 70 high hurdles & 65 meters, MacArthur Osborne with a 21'9" long jump, and Howard Gardner's 4:36. mile (school record).

The Cee 440 relay team took League, & new records were set by Johnny Wilson (a 2:04.4 880) & Roger Oliver (45.7 in 330 low hurdles). Damon McVea took sprint championships in league (10.1-23.35) & City (11.18-22.67 metric).

President's Message

The Junior Class and its officers are responsible for meaningful activities & fundraisers, to help us be better prepared for our senior year. The class has selected the name AKAMAI (the Wise Ones), and the motto, "We strive *not* to equal, but to excel."

The choice of our name & motto lets me know, as class president, the the Class of 1982 has so much potential academically, as well as socially.

With the guidance of Mrs. Harlick, our class sponsor, I feel that the Class of '82 will be the class of all classes. I am proud & honored to be president of such an intelligent group.

Playoffs at the Sports Arena

Seventh Flag Must Wait Till '82

Crenshaw's Six Flags basketball team (named after the six City championship banners hanging in the Cougar's Den) entered the city playoffs with determination and with the excitement & spirit of the school behind it.

The Cougars opened the post-season action by flattening Granada Hills, 103-53. Kevin Hamilton & Quinton Gates ignited the crowd with slam dunks, while Randy Hodge & Michael Cooper hit consistently from outside.

Second-round Fremont gave tougher competition before succumbing, 61-56. Demetrius Tucker had perhaps his best game, while Gary Maloncon's aggressiveness helped tip the game to Crenshaw.

The action moved to the Sports Arena against Kennedy, last year's playoff opponent. The crowd looked gloomy as the Golden Cougars led by 12 at the end of the half. But Crenshaw struggled back. The key play occurred at 60-60 with 1:56 left. The Cougars ran down the clock to 17 seconds, then called time. With five seconds left, Maloncon put in a turn-around jump shot for the winning margin. He wound up with 16 points; Hamilton had 16 & Hodge 15.

This set the stage for the final showdown with Manual Arts, led by All-American Dwayne Polee. A state record 14,123 fans watched Polee pour in 43 points to lead the Toilers to an 82-69 victory. The closest Crenshaw got was a five-point deficit in the third quarter. Gates got 17 points & Maloncon 16 in the Cougars' last game, ending a very fine 21-3 season.

Gates pops from the baseline; Sports Arena crowd watches intently; Cooper on a drive.

Crenshaw's Community:

It's three o'clock and another day of learning comes to an end at Crenshaw High. As we leave the campus, the afternoon sun welcomes us to the best part of the day.

We look around and are reminded that the Crenshaw area is made up of beautiful trees, homes and people. And as one of the inner city's largest business districts it serves many surrounding communities. Being a student at Crenshaw gives many of us a pride in our school and the community which surrounds it.

The neighborhood is a rather peaceful one, featuring mainly lush single-family homes with well trimmed lawns and hedges, laid out neatly along the avenues. In front of the school are beautiful dark green pines, while in back huge

OPPOSITE PAGE, FROM TOP: Cougars leave the Shaw by north and south gates. View of Church's from 48th St. looking west; Kenny's at 9th Ave & 48th. THIS PAGE FROM TOP: Looking north on 8th Ave; Crenshaw Blvd. & the muraled wall; Bus stop heading north; 11th Ave. looking south.

The Where We Were

palm trees stand tall and stately.

The area has many landmarks, such as the long wall on Crenshaw Blvd. with its unique murals. North of the wall lies Liemert Park with its lovely greenery.

Before and after school you will always be sure to find Crenshaw students at F&J, Motown, Kenny's and Church's. The first three provide fast food, both hot and cold, and soft drinks. Motown also offers an electronic space game and a variety of records. Church's, new this year, has fried chicken, while the always popular Margarita's provides a wide range of Mexican food.

The community around Crenshaw High will always hold memories of the way we were . . . and where we were.

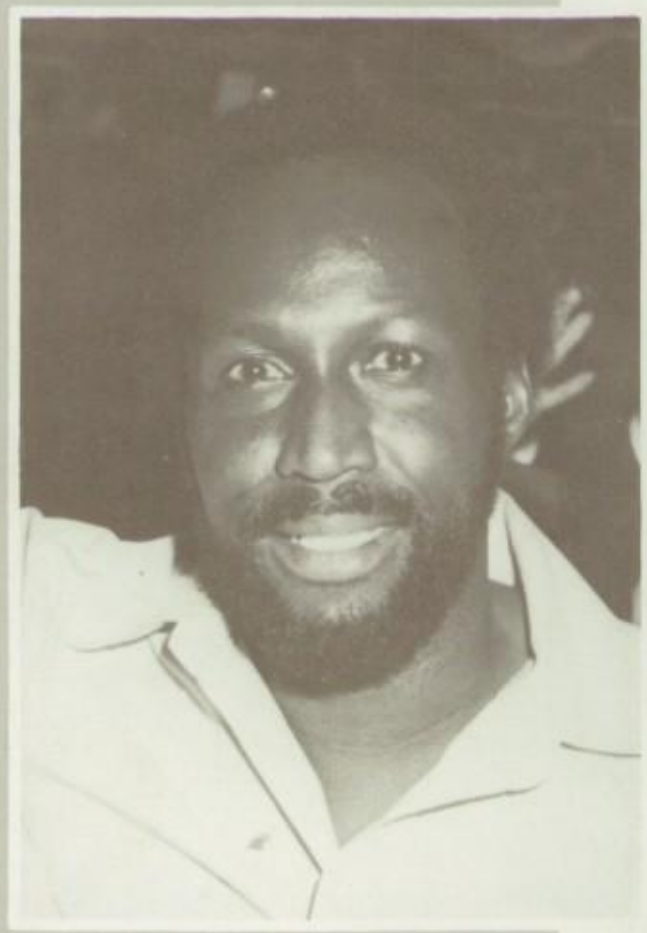
Congratulations to DOLLICIA CHIFFVON WILLIAMS

A sweet black child
born in Ohio & raised
in Los Angeles.

I feel that I am capable of doing or becoming
whatever in life I want to do or be,
because I am a strong black woman
& very proud of myself.
I have not yet reached my goal in
life, but when I do you will know,
because I am going to share it with
the world & let them know it's

Dollicia Williams.

P.S. Thank you, Dad, for the love
& faith you have in me.



Mr. Eddie Piert, Jr.

Congratulations to Devery Holden

our very first child to graduate from high school. From your very proud & loving parents, wishing that all your dreams of becoming a doctor come true.

Because you deserve the best things life can offer & you're the perfect daughter. We love you always,

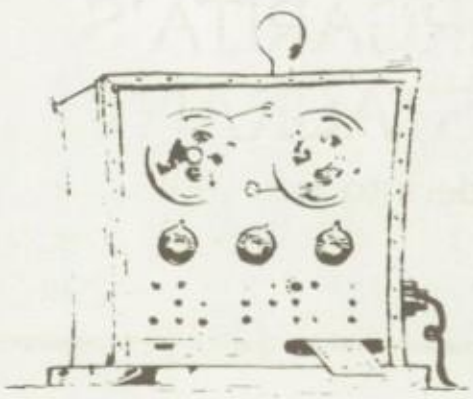
Best Wishes, Seniors



Remember, counseling is like a computer. The more you put into it,

the more you get out of it.
